

Everton Heath Primary School Covid-19 Catch Up Recovery Plan

Covid-19 Catch up Recovery Curriculum 2020-2021

“As with all government funding, school leaders must be able to account for how this money is being used to achieve our central goal of schools getting back on track and teaching a normal curriculum as quickly as possible. Given their role in ensuring schools spend funding appropriately and in holding schools to account for educational performance, governors and trustees should scrutinise schools’ approaches to catch-up from September, including their plans for and use of catch-up funding. This should include consideration of whether schools are spending this funding in line with their catch-up priorities and ensuring appropriate transparency for parents. This recovery plan will in the first instance be implemented for the Autumn Term and reviewed again in December. Funding on Oct 2020 Census- approx. 61 children on role- at £80 per child equates to £4,880

Area to Address	Action	Finance	Monitoring	Timing	Impact
Additional group teaching in each year group	Weekly catch up sessions on key concepts for each child who will need this to support with catch up within the year – implemented after school with a year’s commitment from current teaching staff-training for this, identify children, get parents to commit to this and children 3.45pm – 4.30pm once per week in a group of no more than 5 children-working on similar concepts that are assessed and staff to provide evidence of successful progress	2/3 staff members x 6 weeks @£37.50 £450	Detailed planning in place- Headteacher to have feedback after each session	Over half of one term, 6 lessons to take place Progress reviewed ½ termly	Individuals and groups to have made more than expected progress within the year to get them to the expected standard.

Area to address	Action	Finance	Monitoring	Timing	Impact
Additional 1:1 and small group teaching for those children identified for intervention and most vulnerable (within the normal timetable and extra if needed)	HLTA and TAs to take on a group within their bubble to support in key concepts – raise love of learning and regularity with reading, stamina for writing with individual praise, identify the small group/individual targets are smart and recordable, train TAs to what is expected in each session, give key concepts to teach each child	TA rates for any extra hours committed to. MC/SD /HC to be asked what they could do as extra. 3+ hours if possible approx : £40 x 3 (£120 per week)	Drop ins during the sessions, impact and follow up after sessions – assess pupils at mid-way points	Weekly lesson concepts per half for each individual or group-assessed to see if additional terms are needed	Children who were originally below expected standard are making better than expected progress each term
Assessment Levels	Assessment levels will be re- taken in December. Maintain three data drops within the year but close monitoring by Headteacher to ensure planning and delivery is strong and supporting progress. NFER assessment to be purchased for reading, maths, grammar, punctuation and spelling	NFER Tests Approx. £900	Headteacher and class teachers to monitor progress	Each term weekly -follow the monitoring schedule of teaching, learning, books, planning etc.	Children taught missed concepts and moving closer to expected levels
