A warm welcome back

It's been lovely to welcome everyone back to school over the last few weeks. The children seem to have settled back very well indeed. We're delighted to have grown in our numbers as we enter the Autumn Term, with most year groups now at their full capacity. It is also very exciting to be new members of The CAM Academy Trust. We very much look forward to working alongside all the schools within The Trust and all the exciting opportunities that will be open for us. I hope everyone has a great week.

Jeans for Genes Day 2018 – Friday 21st September

This year we supported Jeans for Genes day on Friday 21st September. In return for a small donation towards the charity children and staff came to school in non uniform and wore jeans or any form of denim for the day.

Jeans for Genes day raises funds for Genetic Disorders UK. Money raised supports children throughout the UK that are affected by genetic disorders.

There are approximately 6,000 genetic disorders. It is estimated that one in 25 children are affected by a genetic disorder. 30,000 babies and children are newly diagnosed in the UK each year.

You can find out more information at www.jeansforgenesday.org
