Dear Parents/Carer

Re: Parent Hub

We are trialling a new school communication system called Parent Hub and moving forward Parent Hub will be our preferred method of communication with parents. Attached you will find instructions on how to download the app. Once you have done this you will be able to receive messages, newsletters and view pictures from the school office and your child's class teacher on your mobile phone.

Can you please complete and return the attached permission slip below giving us permission to send photographs of your child undertaking activities throughout the school, when and where applicable, to either their class, their Key Stage or the Whole School.

Yours sincerely

Ms Aileen Russell
